

Fictional PII Test Document

Fictional test document — all data below is made-up and intended for PII masking tests.

My name is Aaron Mehta. I was born on 12/07/1989 and I grew up on 221B Meadow Lane, Flat 4A, Greenfield Towers, Newtown, NY 10001. People call me Aaron or A. Mehta. My passport number is X1234567, and my driver's license reads DL-NY-0987654321. At home my phone rings on +1 (212) 555-0198 and my mobile is +91 98765 43210. My work email is aaron.mehta@example-test.com and my personal email is a.mehta89@mailtest.co.

Last week I received a bank notice about account 012345678901 at First National Bank, routing number 021000021, and IBAN GB29 NWBK 6016 1331 9268 19 (sample). My credit card on file ends with 1111 (Card: 4111-XXXX-XXXX-1111). The temporary OTP I used was 482915. My social security number on the form was 123-45-6789. For tax purposes I used PAN: PMTAR1234Q and Aadhaar-like ID 9999 8888 7777 (both fictional).

The day I moved to the city, the moving truck (plate: KA-05-MQ-2025) stopped outside 78, Sunrise Apartments, Lavender Street, Block C, Sector 21. My emergency contact is Priya Kapoor, sister, reachable at +91-91234-56789 or priya.kapoor-home@testmail.in; her office is at 18B Commerce Plaza, 7th Floor, Mumbai 400001. My company ID badge shows EmployeeID: EMP-2024-0456 and my manager, Mr. Jonathan Clarke, listed his corporate phone as +44 20 7946 0958.

I once booked a medical appointment and their form captured my insurance policy number: INS-GB-556677-8899 and policyholder DOB 03/03/1965. My medical record number (MRN) at Cedar Clinic was MRN-778899. The clinic stored an emergency contact address: 9, Old Bridge Road, Apt 2, Elm County, CT 06701.

For a parcel delivery I used courier tracking TRK-9876543210 and gave the GPS drop-off coordinates 40.712776, -74.005974. My laptop was registered with MAC: 00:1A:2B:3C:4D:5E and IP 192.168.1.42 (local) / 203.0.113.45 (public sample). My LinkedIn is linkedin.com/in/aaron-mehta-test and GitHub at github.com/amehta-sample.

I remember the interview where I gave my university details: Meadowbrook Institute, StudentID 2010002233, email aaron.student@meadowbrook.edu. My vaccine batch recorded lot no. VAX-7788-2022 and barcode 890123456789012345. The shelter I volunteered at listed me under VolunteerCode VOL-21-334 and recorded my emergency donation receipt RN-2024-990077.

This short narrative intentionally includes multiple PII types — full names, nicknames, dates of birth, postal addresses, phone numbers, emails, passport and license numbers, bank and routing numbers, national IDs, insurance IDs, device identifiers, IP/MAC addresses, employee and student IDs, tracking numbers, and vehicle registration — all fictional.
